I Can Clap My Hands

I can clap my hands.
You can clap your hands.
We can clap our hands.
Clap our hands together.
I can stamp my feet.
You can stamp your feet.
We can stamp our feet.
Stamp our feet together.
I can wave hell - o.
You can wave hell - o.
We can wave hell - o.
Wave hell - o together.
I can blink my eyes.
You can blink your eyes.
We can blink our eyes.
Blink our eyes together.
I can jump up high.
You can jump up high.
We can jump up high.
Jump up high together.
I can crouch down low.
You can crouch down low.
We can crouch down low.
Crouch down low together.
I can bang the drum.
You can bang the drum.
We can bang the drum.
Bang the drum together.
I can shout "Good - bye!"
You can shout "Good - bye!"
We can shout "Good - bye!"
Shout "Good - bye" together.
(Repeat first chorus)

School Bus Blues

Well I wake up in the morning
And I hear Mom sing:
"Hurry up and get ready
Before the school bell rings.
Hurry up and have your breakfast.
You can't be late.
School bus will be coming
At half past eight.
CHORUS
Hurry up and get ready.
You must not fool.
If you don't hurry
You'll be late for school.
So I sit and have my breakfast,
Then I brush my hair.
Go up into my bedroom
Kiss my teddy bear.
Then I go back downstairs
And I'm out the door.
And wouldn't you know it?
It starts to pour!
REPEAT CHORUS
Now, I'm standing at the bus stop,
Gettin' soaked by rain.
And I know what's going to happen -
Bus be late again!
All the kids are getting grumpy,
Gettin' soaking wet.
Got those school bus blues.
Bus is late I bet.
REPEAT CHORUS

Here Is What You've Got To Do

Here is what you've got to do (Repeat)
Jump just like a kangaroo (Repeat)
All around the room each day
Here is one to make you shake (Repeat)
Poke your tongue out like a snake (Repeat)
All around the room each day
Here is one that you should try (Repeat)
You're a bird and you can fly (Repeat)
All around the room each day
Here is one to make you squeal (Repeat)
Clap your hands just like a seal (Repeat)
All around the room each day
Here is one for us to share (Repeat)
Can you growl just like a bear? (Repeat)
All around the room each day
Here is one to do right now (Repeat)
Can you moo just like a cow? (Repeat)
All around the room each day
Here is one I'd like to see (Repeat)
Can you buzz just like a bee? (Repeat)
All around the room each day
Here is one to make you smile (Repeat)
Snap just like a crocodile (Repeat)
All around the room each day
Here is one to make you laugh (Repeat)
Stretch your neck like a giraffe (Repeat)
All around the room each day
One and two and three and four (Repeat)
Oops, I see a dinosaur! (Repeat)
Coming to our room today.
WATCH OUT!
